IF I SUBMITTED A PAPER APPLICATION FOR A MAIL IN BALLOT AND HAVE NOT RECEIVED IT SHOULD I REAPPLY ONLINE FOR THE MAIL IN BALLOT?

No, if you have submitted a paper application for a mail-in ballot, please check online to verify your application approval at votespa.com, or call the Elections Office if you applied prior to Sept. 1, 2020. Do not apply more than one time for a mail-in ballot or for a change in address or voter registration as such duplicate applications will only further delay the verification and approval process.

I RECEIVED NOTICE THAT MY MAIL IN BALLOT APPLICATION WAS REJECTED WHAT DO I DO?

If you receive notification that your mail-in ballot application was rejected, contact the Elections Office at 717-771-9604. Be prepared to address the reasons for rejection of the application. Common reasons for rejection:
- Failure to include apartment number or specific address identification.
- Incorrect birthdate.
- Incorrect Driver License Number.
- Incorrect address and no updated address form is on file.
- Incomplete application.

DO I HAVE TO RETURN MY MAIL-IN BALLOT IN THE "SECRECY ENVELOPE."

Yes, The Supreme Court of Pennsylvania has ruled that your mail-in ballot must be returned to the Elections Office in the envelope on which is printed "Official Election Ballot", and that envelope must be inside the envelope addressed to the Elections Office. Further, the Official Election Ballot envelope must also be returned without any TEXT, MARK OR SYMBOL that would reveal your identity or your political affiliation or candidate preference. Any ballots returned with a marked up envelope or returned without the "secrecy" envelope must be set aside and declared void.

DO I HAVE TO CHANGE MY POLITICAL PARTY TO VOTE FOR A CERTAIN CANDIDATE IN THE GENERAL ELECTION?

No. There are no separate ballots by political party for the General Election.
